Dear Joe,

I wanted to take this opportunity to say “Thank You” to you and your team. I just heard the first batch of name badges arrived in my stores. WOW, were the associates excited.

You have completely exceeded my expectations. When I originally started to re-design our recognition programs, I met with numerous vendors. None of them impressed me the way you did. You were professional and always followed up. I know I’m an extremely hard person to get in touch with and you stayed on top of me. Not to mention the products were excellent. The quality of the name badges far exceeded my expectations.

I really have enjoyed our partnership and look forward to working more closely with you in the future.

Thank you again!

Warm regards,

Aimee Garcia
